

WFG LENDER SERVICES OFFERS COMPREHENSIVE HOME EQUITY SOLUTIONS BACKED BY EXCEPTIONAL SERVICE.

WFG Lender Services' products and services are delivered quickly and economically, enabling lenders to accelerate home equity transactions. Delivered through our proprietary **Valustrust** platform, offerings can be customized to support your workflow requirements.

When it comes to **Customer Experience (CX)**, WFG consistently ranks at the top of the Net Promoter Score® (NPS) rating system. Most importantly, we actively monitor, identify and resolve potential issues before you're even aware of them.

COMPREHENSIVE HOME EQUITY PRODUCTS:

-  One-touch, multi-product ordering
-  Consolidation of client & vendor communication within one portal
-  Instant order status updates through the portal
-  Customizable workflow to support lenders' unique business needs
-  Process automation

Contact your **WFG Lender Services** representative today to ask how our Home Equity solutions can make a difference for you and your customers.
